

Welcome to team 511/512!

We are very excited about working with your children this school year. . If your child will be working with Miss Wiebrecht (Intervention specialist) this school year, she will be available for you to meet during open house. Our **open house** time is **August 17th** so please feel free to stop by at any time between **4:30-6:15** as there will be no formal presentation. We are anxious to answer your questions and meet you and our new students !!

As the first day of school draws near, please make sure your child has their supplies and that they are ready to learn! If you need another copy of the supply list, it is available on the school website - listed by team. If you would prefer, you may bring your child's supplies to our classrooms during open house so they don't have so many things to bring the first day.

Thank you ahead of time for allowing us the privilege of teaching your children this school year, it's going to be a great one!

Sincerely,

Mrs. Calaway
