

Dear Students and Parents,

Welcome to fifth grade, teams 531 & 532!!! We are excited about being your teachers this year! We are looking forward to an exciting and productive year. We strongly encourage parent involvement and will gladly take suggestions to help your child reach his/her goals. We firmly believe that your child receives the best education possible when we all work together.

Here is a little bit about your 5th grade teachers-you'll definitely learn more through the year!! Mrs. Mandi Eddy will be your Language Arts and Science teacher. It is her 14<sup>h</sup> year teaching at Lakeview. She loves working at Lakeview because it's such a fun place to learn!

Mrs. Nancy Beres has been a teacher in the SMFCSD for 32 years. This will be her 19<sup>th</sup> year teaching at Lakeview. She teaches Social Studies and Math and is looking forward to an exciting year of learning!

We work with two intervention specialists on our team, Mrs. Kallie Helmick and Miss April McCoy. This is Mrs. Helmick's fourth year working at Lakeview, but her 7th year teaching. She teaches Math and Language Arts in the Resource Room setting. Miss McCoy teaches the Life Skills class and our students have the opportunity to work with her class. This will be her fourth year teaching with us too. We are very fortunate to work with two great resource room teachers.

We are looking forward to meeting with you and knowing more about you. Please stop in so we have a chance to meet during open house on August 16th. We will not be having a formal presentation, just a meet and greet. Please bring any supplies you have as well. We are positive that this year will be a great learning experience for all.

School Starts Tuesday, August 21st, See you soon!

Miss McCoy, Mrs. Eddy, Mrs. Beres and Mrs. Helmick
