

Stow-Munroe Falls City Schools Preschool Information 2019-2020 School Year

Stow-Munroe Falls City Schools is pleased to announce that the district will be operating the preschool program beginning July 1, 2019. The district is working to develop policies and guidelines for the preschool, and we are hoping to have this process completed and submitted to the Board of Education for approval for the meeting on April 23rd.

If you have a student with disabilities currently attending the program, your student will still be receiving the same level of services and their placement will remain the same for the 2019-2020 school year.

If you have a student attending the current preschool program as a peer, your student will be automatically re-enrolled for the 2019-2020 school year.

If you have applied for your student to be a peer for the 2019-2020 school year, the district has received your application from the Summit Educational Service Center. The district will be scheduling a peer screening in April. More details will be shared regarding this process soon.

The district is in the process of hiring staff for the preschool program. When this process is complete, we will hold a parent information meeting for you to meet the staff and to share additional information about the program.

Please stay tuned for additional updates. If you have questions, please feel free to contact the Office of Special Services at 330-689-5430.

Sincerely,

Kristen Prough
