

Dear Students and Parents,

Welcome to fifth grade, teams 531, 532 & 533!!! We are excited about being your teachers this year! We are looking forward to an exciting and productive year. We strongly encourage parent involvement and will gladly take suggestions to help your child reach his/her goals. We firmly believe that your child receives the best education possible when we all work together.

Here is a little bit about us-you'll definitely learn more through the year!! My name is Mrs. Mandi Eddy. I will be your Language Arts and Science teacher. This is my 12^h year teaching at Lakeview. I'm married and have 3 children. I am very happy to be a teacher in Stow-Munroe Falls Schools. It's a great place to learn!

My name is Mrs. Nancy Beres and I have been a teacher in the SMFCSD for 30 years. This will be my 17th year teaching at Lakeview. I will be teaching Social Studies and Math. I look forward to an exciting year of learning!

Our intervention specialist is Mrs. Kallie Helmick. This is her second year working with us at Lakeview, but her 5th year teaching. She teaches Math and Language Arts in the Resource Room setting. We also work with Team 533 and Miss McCoy, who teaches the Life Skills class. We are very fortunate to work with two great resource teachers!

We are looking forward to meeting with you and knowing more about you. Please stop in so we have a chance to meet during open house on August 16th from 4:30-6:15. We will not be having a formal presentation, just a meet and greet. We are positive that this year will be a great learning experience for all.

See you on August 16th!

Mrs. Beres

Mrs. Eddy
