Notes:

1. **Students will report and stay for their full schedule; we no longer have an “open campus.”** This is due to the revised exam time from 90 to 60 minutes, student safety especially during winter months, and associated legalities that no longer support open campuses.
2. **Students MUST show for the period EVEN if the final assessment is a project-based assessment and turned in before the exam window.** Teachers do NOT have the authority to excuse students from an exam period.
3. Students are dismissed at 12:15.
4. An optional lunch will be from 12:20-1:00.
5. Buses will run on a normal schedule on these days; students who need to ride the bus home will report to room 231 after lunch.
6. Once students leave the building, they will not be permitted to return without a pass from a teacher.
7. For seniors in May: Senior final exam exemptions have been discontinued. Teachers will have on-going discussions with students regarding the format of final exams in May. A week prior to the last senior day is reserved for teachers to schedule senior final exams which will take place during a normal class period. The last senior day is Wednesday, May 13th.
