

Team 542

DEAR PARENTS and STUDENTS,

Welcome to Lakeview Intermediate School! We are looking forward to an exciting and successful school year.

This year, each student will have the opportunity to work with both Mrs. Merriman and Mrs. Slattery. Mrs. Merriman will teach language arts and social studies, and Mrs. Slattery will teach math and science.

Supplies

Students are expected to have all of the supplies listed. Water bottles are welcome. Students may not use Trapper Keepers due to limited storage space. Keeping supplies in a lunch bag with a zipper and handle makes it easy for students to carry supplies from one class to another.

We strongly believe these requests will benefit student organization throughout the school year. Please do not send extra items (gel pens, protractors, etc.) to school. Such items are not necessary and tend to be a distraction.

Assignment Book

At the beginning of the school year students are issued an assignment book. Students are required to use the assignment book daily. All homework is recorded on an assignment board, and at the end of each subject students have an opportunity to record the homework assignment. Please refer to the assignment book for upcoming quizzes, tests, projects, and events.

Friday Folders

Students' schoolwork and handouts will be sent home on Fridays in a "Friday Folder." Students are expected to return the folder the following Monday. Please keep the contents of the folder at home, only returning necessary papers.

Contact Information

Parents may utilize the assignment book to note questions, comments, or concerns. Please write notes regarding attendance on a separate paper, so the information can easily be forwarded to the office.

Each teacher can also be contacted via email.

st_merriman@smfcsd.org
(language arts and social studies)

st_slattery@smfcsd.org
(math and science)

Absence

When notifying the school that a student will be absent, parents may request to have make-up work placed outside the office to be picked up at the end of the day. The number of days given to complete make-up work is equivalent to the number of days absent. It is the student's responsibility to complete and turn in make-up work without a reminder from the teacher.

Incomplete Work

The first grading period, late work will be accepted within a reasonable time frame. For the remainder of the school year, late work will not be accepted.

Bulldog PAWS at Lakeview**Put Safety 1st**

- Sit correctly in chairs, keep four legs of chair on the floor
- Keep walkways clear
- Keep hands/feet and objects to self
- Seek permission to leave the room

Act Responsibly
